

We reach an audience of 10,000+ annually that has exceptional buying power and is brand loyal to those that support their causes.

Each year more than 10,000 Tampa Bay area residents will attend 20 screenings of the Tampa Bay International Gay & Lesbian Film Festival.

Come celebrate our 29th year! The Tampa Bay International Gay & Lesbian Film Festival attracts thousands of local film buffs, tourists, and filmmakers each year. We invite you to join us year-round as we celebrate LGBTQ+ cinema and culture throughout the year in both Pinellas and Hillsborough counties.

- In addition to TIGLFF’s distribution and mailings, our program guide is distributed to over 10,000 individuals.
- The Tampa Bay International Gay and Lesbian Film Festival showcases a selection of compelling film and video that entertains, empowers, and enlightens the LGBTQ+ communities of West-Central Florida and is the 5th largest LGBTQ Festival in the U.S.
